

\$4.00 PRESCRIPTION FORMULARY

FOR REFERENCE USE ONLY

Project Access encourages all patients to purchase discounted prescriptions at one of the pharmacies listed below. Please note that due to limited resources, Project Access is **not** intended to serve as a payer or provider of medications in general, especially medications for chronic conditions, cancer, immunomodulators, drugs for Multiple Sclerosis, experimental treatments, or injectable medications.

The following prescriptions can be found at Walmart, Target, C&A (Escondido) or Walgreens. Prescriptions at Walmart, Target, and C&A are \$4 for a 30-day supply or \$10 for a 90-day supply unless otherwise noted. Prescriptions at Walgreens are \$12 for a 90-day supply and require a membership fee (\$20 for an individual or \$35 for a family per year).
